

The Complete Guide to Successful Event Planning - Completely Revised 2nd Edition

Gathering people together for a special event is always a challenge. Even for the experienced planner, each event is unique. The revised second edition of this award-winning book is designed to assist any planner with meeting all the challenges that surround a production. Whether you find yourself in charge of one important event or you have chosen event planning as a career, you want your events to be incredibly successful and remembered for years to come. A memorable event is one that flows smoothly with every detail carefully orchestrated and meticulously produced with the participant in mind. Successful events do not just fall together; they are the result of hard work, creativity, awareness, and careful attention to detail every detail. The Complete Guide to Successful Event Planning with Companion CD-ROM REVISED 2nd Edition is the most thorough, concise, and easy-to-follow event planning book available. From the initial concept of the event to ongoing management, this book provides techniques to increase your chances of success and systems to avoid many common mistakes. It shows you dozens of ways to save time and money and introduces you to every facet of the planning process. This ultimate guidebook equips readers with new ideas, support, and creative problem-solving skills. The chapters follow the dynamics of the actual event planning process and are supported by extensive checklists and timelines. As readers undertake the complexities of daily responsibilities and tasks, The Complete Guide to Successful Event Planning inspires efficiency and confidence and makes it possible to stay on track. The revised second edition includes information on timely practices such as planning environmentally friendly parties, using technology applications and gadgets to orchestrate a modern event, and generating enthusiasm for your events using social

media and social networking. The companion CD-ROM included with the book contains helpful checklists, worksheets, and contracts and agreements to help you coordinate an organized event. On the CD-ROM, you will find sample speaker agreements, timelines for planning your event, status reports, budget sheets, site selection checklists, and much more. The information found in this book is suitable for creating events for any theme, size, location, or budget. Both professionals and novices alike will find this guidebook a must-have. Whether you are planning the Academy Awards or your daughters wedding, allow this newly revised book to show you everything you need to know to make your next event a success. The companion CD-ROM is not available for download with this electronic version of the book but it may be obtained separately by contacting Atlantic Publishing Group at sales@atlantic-pub.com.
