

The Diva Wraps It Up (A Domestic Diva Mystery Book 8)

In the latest novel in the national bestselling Domestic Diva Mystery series, its beginning to look a lot like murder. The holidays are domestic diva Sophie Winstons favorite time of year. But this season, there seem to be more mishaps than mistletoe. First, Horace Scroggins tumbles from a balcony during his office Christmas party. Then, Sophies neighbor takes a fall from his ladder while decorating his roof with lights. But its the cookie swap that really starts her wondering whos naughty or nice. Sophie arrives at the annual event with high spirits and thirteen dozen chocolate-drizzled gingersnaps. But when an argument erupts and a murder ensues, it becomes clear that the recent string of events is anything but accidental. Now Sophie has to make a list of suspects and check it twice!
