

The Forget-Me-Not Sonata

A sweeping tale of love and marriage from the number one bestselling author of Songs of Love and War. In an Anglo-Argentine community in Buenos Aires, two sisters - Isla and Audrey - spend their days playing tennis, riding horses and enjoying picnics in the summer heat. They have everything to look forward to, until one day everything changes ...When two handsome brothers arrive, Audrey loses her heart to one of them. Louis Forrester, a troubled man and gifted pianist, composes a brilliant piece of music for her: the forget-me-not-sonata. Amidst their secret love affair, tragedy strikes and Audrey is faced with a heart-breaking dilemma. Will Audrey allow herself to marry a man supposedly so wrong for her?
