

The Girl Who Kicked The Hornets Nest (Millennium Trilogy)

In this final graphic novel adaptation of Stieg Larsson's international bestseller, Lisbeth Salander lies in critical condition, a bullet wound to her head, in the intensive care unit of a Swedish city hospital. She's fighting for her life in more ways than one: If and when she recovers, she'll be taken back to Stockholm to stand trial for three murders. With the help of journalist Mikael Blomkvist, she will not only have to prove her innocence, but also identify and denounce those in authority who have allowed the vulnerable, like herself, to suffer abuse and violence. And, on her own, she will plot revenge - against the man who tried to kill her, and the corrupt government institutions that nearly destroyed her life. Written by novelist Denise Mina (*The Field of Blood*) and illustrated by Andrea Mutti and Antonio Fusso, this epic graphic novel concludes Vertigo's critically acclaimed adaptation of The Millennium Trilogy.
