

The Lives of Rocks

A New York Times Book Review Editors Choice A Rocky Mountain News Best Book of the Year Finalist for the Story Prize At once expertly crafted and undeniably moving, these ten stories deftly explore our immutable connection with nature. The centerpiece of the collection is the arresting title story, in which a woman alone in her mountain cabin confronts a terminal illness. In the equally remarkable Her First Elk, the same character recalls her most memorable and significant hunting experience. Set in locations ranging from Montana to Texas to Mississippi, the remaining stories further illuminate the consequences of our attitudes toward the environment and each other. This masterly collection lays bare the essentials of life with unparalleled passion and grace..
