

## Mermaids in the Basement

Reeling from the loss of her mother, plagued with a bad case of writers block (and dont even talk about those extra twenty pounds), Renata DeChavannes feels as though everything is just plain wrong. And that was before the tabloids caught her sweetheart, filmmaker Ferg Lauderdale, sharing an intimate squeeze with Hollywoods hottest young tamale. But the granddaughter of the formidable Honora DeChavannes possesses more hell than belle in her backbone&#8212;and shes about to reclaim it. Heading south to Honoras home on the Gulf Coast, Renata is determined to stop feeling like a wilted gardenia and emerge as the unstoppable kudzu her beloved grandmother proudly proclaimed she would be. But for that to happen Renatas got to face some not-so-genteel ghosts from her past, discover the truth about the mother she desperately misses, and make peace with the first man who abandoned her and broke her heart: her handsome and distant father.
