

The Navy Lark Volume 28: Troutbridges Party

Jon Pertwee, Leslie Phillips, Stephen Murray and Ronnie Barker star in four more hilarious radio episodes. Troutbridges Party/Finding Their Way Through (18 October 1963): A peeved Pertwee is barred from a wardroom celebration for Admiral Sir Benjamin Troutbridge. Rescuing Admirals/ Working Their Passage (25 October 1963): The crew needs to rescue two of the top brass from a lighthouse, Pertwee meets his uncle and an old face sails back. Captain Povey Reports Sick/Doing a Mischief (8 August 1965): When the Captain catches a cold, Murray takes over and chaos ensues. Then Troutbridge is sent out to sea to look for a stranded boat - which, thanks to Mr Phillips, they can't find. The Relief of the Weather Ship/Weathering (26 January 1959): Troutbridge needs to take a professor out to their weather ship urgently. However, the Professor turns out to be a rather attractive woman who catches the eye of the crew... With Richard Caldicot, Heather Chasen, Tenniel Evans and Michael Bates. 2 CDs. 1 hr 52 mins.
