

Ahabs Adventures In Wonderland

Captain Ahab, legendary farmer, loses his leg after an encounter with Moby Dick, the infamous white rabbit who has been terrorizing farms all across Massachusetts. Hellbent on revenge, he vows to hunt the rabbit wherever it may lead. With his crew in tow, he plunges down the rabbit hole and finds himself in the amazing world of Wonderland, where caucus races, mad tea parties, and croquet with the queen await. A mashup of Moby Dick and Alice in Wonderland, Ahabs Adventures In Wonderland is an absurdist look at two legendary classics. You'll never view Wonderland the same again.
