

The Nine Fold Heaven

A unique and enthralling style. . .flawless. --Baltimore Books Examiner In this mesmerizing new novel, Mingmei Yip draws readers deeper into the exotic world of 1930s Shanghai first explored in *Skeleton Women*, and into the lives of the unforgettable Camilla, Shadow, and Rainbow Chang. When Shadow, a gifted, ambitious magician, competed with the beautiful Camilla for the affections of organized crime leader Master Lung, she almost lost everything. Hiding out in Hong Kong, performing in a run-down circus, Shadow has no idea that Camilla, too, is on the run with her lover, Jinying--Lung's son. Yet while Camilla and Shadow were once enemies, now their only hope of freedom lies in joining forces to eliminate the ruthless Big Brother Wang. Despite the danger, Shadow, Camilla, and Jinying return to Shanghai. Camilla also has her own secret agenda--she has heard a rumor that her son is alive. And in a city teeming with spies and rivals--including the vengeful Rainbow Chang--each battles for a future in a country on the verge of monumental change.
