

## This Must Be My Brother

Did you hear the news? President Ford okayed Operation Babylift. Instead of taking out 6 babies, you'll help us take home 300! With that exciting announcement, all the questions about why two Midwestern homemakers would fly into a war zone were answered. Their mission at last was clear. But nothing in their pasts had prepared them for what they were about to see and experience. Saigon was falling to the Vietcong. And the lives of thousands of orphan children hung in the balance.
