

## The Opal Seekers

In 1898 poverty threatens to destroy Trella Courts beloved family. She is left with no choice: her brother-in-law, Brodie, must leave home so that there is one less mouth to feed. Bitter with resentment, Brodie travels to Dublin where he stumbles upon a wealthy employer who offers him passage to Australia, the land of untold riches. In Brisbane Brodie is taken in by the owner of Fairlea cattle station. But before they leave he catches sight of a beautiful opal necklace glistening in a jewellers window and vows that one day he will go in search of the dazzling stones and make his fortune. At Fairlea, Brodie finds favour when he saves the owners life, but Vivien Holloway, the spoilt mistress, causes trouble when her harmless flirtation with Brodie turns into a passionate affair. Soon Brodie is looking for a way out of Fairlea and he finds his escape in the hunt for opals...
