

A Perfect Holiday

Readers say: Sexy! Hot! Romantic! Funny!

A beautiful story of breaking out of our shells and becoming our own person. There also is a whole lotta hot involved. Great story. 5 stars! Has such a uniquely Perfect storyline! Truly Awesome!! Laugh out loud funny and Sexy and pantie melting Hot and Fall In Love characters Sidney and Riker! Its not a matter of what could go wrong when a young woman whos tired of living vicariously through her steamy romance collection is virtually stranded for the weekend with Mr. Sex-on-a-stick. Its more a question of what could go right. Sidney Capp is tired of denying her natural instincts to maintain the status quo and be the quintessential good girl her parents expect her to be. So when the holidays arrive, and shes free of her folks breathing down her neck for the weekend? Shes drunk with power. Probably why when the opportunity to be a little bad presents itself, those instincts takeover and she dives all over him. Riker Mitchell thinks being forced into some much-needed R&R for a few days is going to kill him until he inadvertently discovers his sexy but shy neighbor is secretly into watching steamy movies on the weekends. Apparently, he isnt the only one with erotic ideas on the brain. Little does he know, the hottie in two B is determined to turn her sizzling dreams into a sensual reality. On a regular day, with a regular girl, he would have been the first to sign up, but with this quirky little innocent? No matter how tempting it might be, hes determined to do the right thing unless she can persuade him otherwise... Oh yeah. He curled down and rubbed his nose against her forehead before he pulled back. Where your parents want you to be a happy well-adjusted daughter who behaves accordingly, Id want you to be a happy well-adjusted woman who doesnt behave according to anyone but herself.
