

The Third Cry to Legba and Other Invocations : The Selected Stories of Manly Wade Wellman (Vol. 1)

Volume 1 (Third Cry to Legba and Other Invocations) collects Wellmans John Thunstone and Lee Corbet stories. These stories (written between 1943 and 1979) combine the mystical and horrific with traditional southern folk tales and legends. At the same time, these stories reveal a post World War 2 modernism that make them much more than pulp romanticism. The paranoia and cynicism of modern weird icons such as the X-files may well have had their genesis in the pulp musings of Manly Wade Wellman. Indeed the intensely driven, idealistic occult investigator John Thunstone could be a pulp/noir stand in for Fox Mulder. This work will be issued in a fine collectors hardcover state, with 24 illustrations. Edited by John Pelan, illustrated by Kenneth Waters. Contents: * Introduction* The Third Cry to Legba* The Golden Goblins* Hoofs* The Letters of Cold Fire* John Thunstones Inheritance* Sorcery from Thule* The Dead Mans Hand* Thorne of the Threshold* The Shonokins* Blood from a Stone* The Dai Sword* Twice Cursed* Shonokin Town* The Leonard Rondache* The Last Grave of Lill Warren* Rouse Him Not* The Dakwa* The Beasts That Perish* Willow He Walk* A Witch for All Seasons* ChastelSkyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
