

The Stepford Wives: Introduction by Chuck Palahniuk

The women of Stepford are not all that they seem... All the beautiful people live in idyllic Stepford, Connecticut, an affluent, suburban Eden populated with successful, satisfied hubbies and beautiful, dutiful wives. For Joanna Eberhart, newly arrived with her husband and two children, it all seems too good to be true - from the sweet Welcome Wagon lady to all those cheerful, friendly faces in the supermarket checkout lines. But just beneath the towns flawless surface, something is sordid and wrong - something abominable with roots in the local Mens Association. And it may already be too late for Joanna to save herself from being devoured by Stepfords hideous perfection.
