

The Super Mob Squad: EPISODE 1 : The First Heroes (Volume 1)

Get Ready for the next Super Hero Team, in MINECRAFT! Things have been a little crazy lately. Zombies are disappearing lately and that's got Punchy worried. You see Punchy is a bit of a curious Zombie that's on the trail of something hot. It's not just the Zombies going missing that got him worried, there's Monsters Mobs all over the Minecraft world that are slowly starting to disappear. What's a Zombie to do? Punchy teams up with Bone the Spider Jockey, and Spinstress the Spider to solve this mystery and put an end to the strange happening. When the sun fails to rise one day, they know things are only going to get worse. There's so many unanswered questions though. Where are the mysterious slime blobs coming from? Why are they being followed by a Creeper? Who is the evil mastermind behind all of this? Can you ever really trust an Enderman? These questions and more will be answered in this action-packed journey through the world of Minecraft. With characters based on some of the creatures in one of today's most popular games (Minecraft), you'll join Punchy and his team on the road to becoming the Minecraft Super Mob Squad!
