

## The Texans Diamond Bride (Silhouette Special Edition) (Mass Market Paperback)

Jewelry heiress Paige McCord would do anything to save her family's empire, even sneak into enemy territory to search for a long-lost diamond. She never expected sparks to fly with the no-nonsense cowboy who caught her in the act or to discover that this rugged rancher was none other than Travis Foley, son of her family's archenemy! Travis's hatred for the McCords was equaled only by the love he had for their land. But when a hurricane threw him together with Paige, his heart tumbled with more than gale-force winds. If he could do the unthinkable and join forces with her, this wild hunt for buried treasure might give them both a chance at true love....
