

The Wandering Soul Murders (Joanne Kilbourn Mysteries)

Murder is the last thing on Joanne Kilbourn's mind on a perfect morning in May. Then the phone rings, and she learns that her daughter Mieka has found the corpse of a young woman in an alley near her store. So begins Joanne's chilling collision with evil in Gail Bowen's riveting third mystery, *The Wandering Soul Murders*. Joanne is stunned and saddened by the news that the dead woman, at seventeen, was already a veteran of the streets. When, just twenty-four hours later, her son's girlfriend is found dead, drowned in a lake in Saskatchewan's Qu'Appelle Valley, Joanne's sunny world is shattered. Her excitement about Mieka's upcoming marriage, her involvement in the biography she is writing, even her pleasure at her return to Regina all fade as she finds herself drawn into a twilight world where money can buy anything and there are always people willing to pay.
