

Puppetry in Schools

This classic, historical book is a detailed and comprehensive look at making and manipulation of puppets. In this original, unabridged form it contains much information that is useful and practical today in the classroom or home. Contents include - Puppetry - As A Craft - Puppetry And Art - Needlework And Puppetry - Handicraft - Science - English - Puppets And Music - Religious Knowledge Through Puppetry - The Use Of Puppets For History And Geography - Puppets And Foreign Language Teaching - Road Safety - Puppetry As A Project. Extensively and beautifully illustrated this is a worthy addition to any book shelf. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
