

Ever Yours: A Wedding Photographers Secrets to Creating Beautiful Memories of Your Special Day

From award winning wedding photographer, Christina Brosnan, comes this insightful collection of practical and easily applicable advice for your wedding day. Your wedding is once in a lifetime. By following these ideas your wedding will be less stressful and will help you get better photos to cherish forever. The tips and advice Christina has to offer are illustrated with beautiful imagery to show you how. Written from a wedding photographers perspective, you wont find these tips in other wedding books. Inside the book you will find 165 tips aimed at helping you get better wedding photos from your wedding day. You will be guided on creating a wedding day schedule that will maximise your use of time and valuable daylight, offered considerations for your ceremony for better photos, and much more that will help you create beautiful lasting memories and have a stress free day. The tips take you through from engagement to after your wedding day. Lindsay, House of Hannah This book is a rare wedding planning jewel that no bride or planner should be without. Full of insightful tips and invaluable advice from a seasoned wedding professional, Ever Yours is as enjoyable a read as it is practical. A great gift for a newly engaged couple. Amy, Fly Away Bride Ever Yours is an invaluable resource for brides-to-be and wedding photographers alike. Christinas insightful and sage advice, set in a charming and reader-friendly narrative, is the culmination of years of experience working on hundreds of weddings. This advice, combined with Christinas stunning photography, makes this a book to treasure.

Kate & Russ, Bride & Groom This book is fantastic and so helpful for anyone whos planning a wedding. Wedding photos are such an important reminder of an amazing day and this book is by far the best advice on making these moments the most natural and enjoyable they can be Denise, Bride Your book is going to be a huge help over

the next year, and Ill be giving it to my bridesmaid and family, Im sure they will all get some tips and advice that will help us on the day. The advice about tidy rooms, clothes tags, umbrellas, high chairs and so on, will all help to create the most attractive photos, and are all mistakes Ive seen made before. The timelines will probably be the most important part of the book, as I hope to find the best way to arrange our time with you and our time with the guests. Julie-Anne, Bride A beautifully written ebook that gives some great insight into planning your big day in order to ensure the most important moments are captured in the most stress free way possible. I have noted several ideas that I hadnt thought of before and would recommend this to any bride-to-be! Anneka, Bride I have read your ebook cover to cover and I can honestly say that it is jam packed with practical and helpful tips in making the wedding planning process smooth and straightforward. There are plenty of clever ideas which I would have never thought of myself that will no doubt make a huge difference on the day! Thank you for compiling all your knowledge and expertise into one beautiful book. Its a valuable resource for brides to be everywhere and I would highly recommend it.
