

## Salt Lake Impressions (Impressions (Farcountry Press))

Photographers Scott Smith and Stephen Trimble join together to present their finest photographs of the great Salt Lake area. Their collection of breathtaking images takes you on a journey from the crusted shores of the Great Salt Lake to the stone steps of the Mormon temple, from the green lawns of the University of Utah campus to the snow-sparkled slopes of Alta Ski Area. Witness the desert as well as the clean lines of Salt Lake City's skyline.
