

Sharis Shot

More excitement arrives at Prairie Winds Golf Course on the east side of St. Louis when former Mrs. Missouri, Shari Daniels-Donnelly, in a fluke twist of a bottle cap earns a chance to win \$1 million at Americas greatest tournament, The Classic. Shari is among the fashionable nouveau-riche, a member of prestigious Old Blueblood Country Club and seeking excitement outside a stale union with real estate mogul, Tyler Cy Donnelly. After her high-powered and influential attorney, Leslie Potter, serves divorce papers it appears Shari is on the path to a luxurious lifestyle that includes young lovers, a multimillion dollar settlement and freedom from the balls and chains of a boring marriage. Events become complicated when a young Latin lover supplants a longtime friend who vies for Sharis attention. Between threatening texts, arrest, jail time, confessions and a liaison with a U.S. Congresswoman, Sharis pending divorce delivers chaos. When a lover is found shot to death in a carpool parking lot prior to a golf outing a detective duo is determined to find who fired the shot.
