

## Side Chick Life 2

The battle for attention continues as the Side Chicks in this book struggle to get exactly what they want. Everything! Violet is head over heels in love with Vega. Adrial exacts revenge on her one way or the other. But with Vega on her arm can she reel him in and officially make him hers before Adrial gets a chance to foil her plans? Angel struggles to keep her secret and hold on to her man at the same time. Vega is being pulled in a violent tug of war between Violet and Angel but only one woman can win. Who is evil enough to play dirty to get what they want? Mikas life is finally changing for the better but David just cant seem to let her go as he feels he had become a side piece. She wonders whether or not to give him another chance but Ox isnt going out without a fight. Mika will ultimately face the battle of her life but not the one that she had planned for? Nobody is ever ready for it. They are kind of just pushed into this life.
