

Unnatural Death (Lord Peter Wimsey series) (Lord Peter Wimsey Mysteries)

The wealthy Agatha Dawson is dead a trifle sooner than expected but there are no apparent signs of foul play. Lord Peter Wimsey, however, senses that something is amiss and refuses to let the case rest even without any clues or leads. Suddenly, he is faced with another murder: Agatha's maid. Can super-sleuth Wimsey find the murderer and solve the case before he becomes the killer's next victim? The intricate trail of horror and senseless murder leads from a beautiful Hampshire village to a fashionable London flat and a deliberate test of amour.
