

Watch Over Me

Her Rescue Might Be the Miracle They Needed Things like this dont happen in Beck County. Deputy Benjamin Patil is the one to find the infant girl, hours old, abandoned in a field. As police work to identify the mother, Ben and his wife, Abbi, seem like the obvious couple to serve as foster parents. But the newborns arrival opens old wounds for Abbi and shines a harsh light on how much Ben has changed since a devastating military tour. Their marriage teeters on the brink and now they must choose to reclaim what they once had or lose each other forever. Poignant and powerful, this novel confirms Christa Parrish as one of the most talented new voices to emerge in Christian fiction.
