Here, for the first time, curious onlookers and fans of Indiana high school hoops have a book which guides them to and through the Hoosier Hysteria experience. Drawing on years of research and roadtrip miles, author Dale Lawrence visited nearly 400 high school gymnasiums and attended games at over 100 sites to bring you this one-of-a-kind guide to rivalries, school nicknames, little-known traditions, directions to both gyms and traditional pre-and-post game eateries, and more.
