

Whispers in the Sand

From the bestselling author of *Lady of Hay* comes *Whispers in the Sand*, set in richly mysterious Egypt, where past and present collide. Recently divorced Anna Fox decides to cheer herself up by retracing a journey her great grandmother Louisa made in the mid-nineteenth century a Nile cruise from Luxor to Aswan. Anna carries with her two of Louisas possessions: an ancient Egyptian scent bottle and an illustrated diary of the original cruise that has lain unread for over a hundred years. As she follows in Louisas footsteps, Anna discovers in the diary a wonderful Victorian love story and the chilling secret of the little glass bottle. Meanwhile two men from the tour party develop an unfriendly rivalry for her attention, while showing a disturbing interest in Louisas mementoes. Most frightening of all, Anna finds herself the victim of a spectral presence that grows in strength and threat as the dramatic stories from three different eras intertwine in a terrifying climax.
