

## Whoes Child is this?

*Whose Child is this?*

Only God Knows

J C Beaver - Updated

This is a true story based on the life of a child that was divided her entire life. She was unwanted, unloved by the one who carried her. She was lost, then found by the Lord at age eight. She was happy for five years, during the grace period of her life. She wanted to be loved. The mom who adopted her, loved her unconditionally, prayed and took her to church, worked to keep her focused but at fourteen, the sins of the fathers, the generation curses fell on her, and a life of terror and torment engulfed her. Through it all, she kept her eight year old faith that God would make it all right one of these days. In the hour of her trial, He didnt fail her, He never left her. This is a story of pain, alcoholism, drugs, and what happens when people try to work it out for themselves. This is the story of a mom who put her adopted daughter into the Hands of the Lord, who kept her through the fire, the flood, and took the time to give her time to speak to Him in the hour of trial. Absent from the body, at home with the Lord, is the truth many learned that dark week.
