

Secret of the Seventh Son (Will Piper)

There are secrets that must remain buried ...Nine people have been slain in New York City nine strangers with nothing in common the apparent victims of a frighteningly elusive serial killer. Only one thing links the dead: postcards they received, mailed from Las Vegas, announcing the day they would die. Assigned to the case is a legendary FBI profiler with a troubled past, a drinking problem, and nothing left to lose ... Abandoned to a monastery is an unwanted son born under a curse on the seventh day of the seventh month of the year 777 ... Unprepared for a momentous discovery is a post-World War II expedition into the crypts of a clandestine medieval society ... but all lead to a secret embroiled in destiny, history, evil, faith, and corruption ... and one terrifying truth that no one must ever know ...
