

William Shakespeares The Empire Striketh Back (William Shakespeares Star Wars Book 5)

The saga that began with the interstellar best seller William Shakespeares Star Wars continues with this merry reimagining of George Lucass enduring classic The Empire Strikes Back. Many a fortnight have passed since the destruction of the Death Star. Young Luke Skywalker and his friends have taken refuge on the ice planet of Hoth, where the evil Darth Vader has hatched a cold-blooded plan to capture them. Only with the help of a little green Jedi Master and a swaggering rascal named Lando Calrissian can our heroes escape the Empires wrath. And only then will Lord Vader learn how sharper than a tauntauns tooth it is to have a Jedi child. What light through Yodas window breaks? Methinks youll find out in the pages of The Empire Striketh Back!
