

## Wine Makes Mommy Clever

From the author of the wildly popular Bunny Suicides series comes this hilarious collection detailing all the quirks and endearing oddities of motherhood. Mommy loves chocolate cake (no matter how bad it is for her), has magical spit (removes any stain!), and loves spa treatments (especially when shes not the one paying). Whether shes admiring her shoe collection or hiding Daddys favorite grungy T-shirt, Mommys always there doing her best to be the greatest. Including 60 all-new cartoons from Andy Riley, Wine Makes Mommy Clever is an affectionate, witty tribute to moms everywhere.
