

## Winner Take All (Previously published as Rain Storm and Choke Point) (A John Rain Novel)

Previously published as Rain Storm and Choke Point John Rain has disappeared in Brazil to escape the killing business and the enemies encircling him in Japan. But the CIA isn't willing to lose its premier natural causes contract killer, and they force Rain to take on a high-risk assignment: eliminate a ruthless arms dealer operating in Southeast Asia. The upside? Financial, of course, along with the possibility of moral redemption. But first, Rain will have to survive the downside: a second assassin zeroing in on the target; an alluring and dangerous woman with an agenda of her own; the possibility that the entire mission is nothing but an elaborate setup. From the gorgeous beaches of Rio to the glitzy casinos of Macau to the gritty back streets of Hong Kong and Kowloon, Rain becomes a reluctant player in an international game far deadlier and more insidious than any he has encountered before. Winner Take All was previously published as Rain Storm in the US and Choke Point in the UK, the third in the bestselling John Rain assassin series.
