

## You Are Not Alone: Encouragement for the Heart of a Military Spouse

You Are Not Alone: Encouragement for the Heart of a Military Spouse is a book of 30 daily readings designed to encourage, strengthen, and uplift military spouses in the unique challenges they face. Whether its a deployment, move, or raising military kids, find real-life solutions and inspiration from someone whos been there. In the words of Cindy, Marine Corps spouse: Reading You Are Not Alone: Encouragement for the Heart of a Military Spouse touched me in a way few books do. As I read page after page, I kept thinking, Oh my goodness, she is living my life! or Yes! That is EXACTLY how I felt! There is a kinship that military spouses have, and reading this book of encouragement brought that home for me.
